Subject: DTSC News Feed

DTSC News Feed is a weekly email that pulls together short updates and internet links to keep you informed about the latest accomplishments and news highlights at the California Department of Toxic Substances Control (DTSC).

April 23, 2015

- DTSC will holding a community workshop on May 6 in Los Angeles about the closure of Exide, results of soil sampling in neighborhoods near the facility and how community members can become involved with the closure.
- Watch DTSC's video on the closure and the cleanup of residential properties near the Exide Technologies facility in Vernon.
- DTSC has reached more than 1,300 followers on Twitter! Don't forget to also like us on Facebook and subscribe to our YouTube channel!

Archived versions of DTSC News Feed can be found on the department website.
